melday, April 23. 1723.

Tenerdy arraid a Mail from Holland.

HE Borels which the Cast's Minister had few to Molcow, returned bither the 15th Image, Gaze when 'tie fixongly reported has the Grand Signior with the Mediation of M. de Bone, Ambadadoor of France 3 and that the Grand Signior confirm to let the Cast keep Derbent, provided he does not further extend his Conquests upon Persia, nor different the Privac of Daguestan.

Malta, March 19. A Press the control of the Malta, March 19.

further extend his Conquetts poor Perfia, not difquies the Prizze of Daguettan.

Males, March 19. A Freun Ship aprived here
fame Day park from Configurable, and landed a
traity Perfor whom the traitire had fent
into Tarkey, to difcover more in Mostres of the
Porto's Naval Preparations. In brage intelligence,
that the Men of War, Gallies, m. Galliots were
apon the Point of failing. The Unad Mafter upon this Notice, immediately had a Council of
War, ordered all the Sea-faring lessions to to
infantly aboated their respective thins, and gave
publick Orders to forbid any Perfor whatforwe
from going out of the Porte; he alfu dispatches
an Expects to the Viceroy of Sicily, to acquain
him that the Turks really intended to attack this
flind, or Sicily, therefore demands of him a Reinforcement of 1300 Men.

Mar/aw, April 2. Letters from Leopolds dated
the 24th past relate, that the Grand Grewal of
the Crown Army had received Letters from
Confinatinople by Way of Jaffy, dated the 18th
of March, giving an Account, that the Perfian
reposing but small Confidence in Miri Weys
their new Sophi, had sent Deputies to the
Grand Signitor, to desire of him a powerful Afsistance of Testops according to the Promise made
to them by the Poete, offering on their parts
yoo.ooo Crowns annual Tribute for the same.
That this Demand having been maturely weighed
in the Divan, it was resolved to succour the Persins, to which purpose a numerous Army of Turks
is formed on the Frontiers of that Kingdom, to be
commanded in Chief by the Serasker of those
Parts. It is expected also, that the Porte will
soon declare War against the Case 3 that the Grand
Signitor insteads to mazery one of his Daughtees to
the young Sophi, and so establish him on the
Throne of Parts.

Tario, April 3. Madame Rayale centimes on
her Recovery, and is able to sit up in her Chomber
for several Hosses, its said the Prince of Piedment designs to go to Oropa, to offer there accoudiag to Cushom a Silver Instant to the lines of the
parts of the Engage of the Councile
